“In all of my business conferences, Janice is the most dynamic, memorable speaker I have ever heard. With humor and grace, Janice teaches you how to stop sending the wrong messages and start sending the right messages about yourself. From using the correct body language to giving a perfect handshake, she corrects the common mistakes so many of us make in the business world. We felt empowered when Janice was finished, and that's why she got a standing ovation.”

Optimal Impact
BUILDING TRUST AND CONFIDENCE - EVERY DAY IN EVERY WAY.

Success in the “real world” turns out to be less about intelligence and performance than you might think. Instead, your professional success and personal fulfillment are about your personal relationships and your ability to respond accurately to others. Participants in this course become inspired by the power of choice to make personal changes in their professional image and personal expression. • Learn to create your best first impression, quality impression, and lasting impression • Learn how to create a consistently compelling presence so everyone you meet can perceive you in the best light • Increase daily enjoyment of your work environment • Understand how to raise team morale • Be confident in using the social skills successful people employ

Business Etiquette
BE A CHARISMATIC SUCCESS WITH YOUR CLIENTS AND COLLEAGUES

Most people don’t lose their jobs or fail to excel because of low skills. Shocking isn’t it? 80% of people who are let go or get passed over for promotions lack professional etiquette and social skills, and no one tells them. No one tells you in the exit interview “you talk too much, you interrupt, chew with your mouth open and invade people’s personal space”. No they say there has been a change in the corporate structure or someone else more qualified applied for the job. • Increase daily enjoyment of your work environment • Understand how to embrace charismatic traits • Identify the personal habits that work for or against your goals • Be confident in using the social skills that successful people employ

How to Look Like a Million WITHOUT SPENDING IT
